

Steps and Requirements for Life Safety Endorsements

DOT Hydrostatic Testing - must have a qualifier for the firm; this qualifier must live within 150 miles of the firm that he qualifies.

1. **Firm Application** - http://sfm.dps.louisiana.gov/lic_packet.htm
 - a. Submit completed firm application in **blue ink**.
2. **Documentation**
 - a. Signed affidavit on qualifier.
 - b. Copy of training certificates for qualifier.
 - c. List Agent of Service if not located in the state of Louisiana.
 - d. General Liability & Worker's Compensation insurance certificate (certificate must be faxed to (225) 925-3699 by your insurance agent). The minimum GL coverage amount is \$500000.00 The Insurance Certificate must note in the description of operations column: "Life Safety & Property Protection" and must have the current physical address of the firm listed on the certificate. If the owner(s) is the only employee(s), the firm does not need to carry worker's comp.
3. **Fees** - \$350.00 company check/money order to Office of State Fire Marshal
4. **Qualifiers** - must meet the minimum Technician or Specialist certification requirements for the endorsements they wish to qualify. All qualifiers must have **ONE** of the following:
 1. Hydrostatic Equipment Manufacturer Certification Training; or
 2. Department of Transportation (**DOT**) Approved Hydrostatic Testing Course.

The following course is required:

. Fire Marshal Administrative Rules Course

5. **Employees – All employees must be paid W-2 employees. Submit the following:**
 - a. Employee application completed in **blue ink** :
http://sfm.dps.louisiana.gov/lic_packet.htm
 - b. Digital picture saved to a CD in JPG format.
 - c. Fees - \$50.00 company check/money order to Office of State Fire Marshal
(Combine firm fees and employee fees into one check.)
 - d. Copy of certification (training) that employee has taken.
 - e. Technicians – one of the following certifications are required.
 1. Hydrostatic Equipment Manufacturer Certification Training; or
 2. Department of Transportation (**DOT**) Recognized Hydrostatic Testing Course.
 - a. Certified Training Company (Cylinder Requalification)

6. **Vehicle Registration for out-of-state Fire Protection & Sprinkler Firms.**

Each vehicle that will travel in Louisiana will need to be registered on a Vehicle Registration form.

Refer to website: http://sfm.dps.louisiana.gov/lic_packet.htm

Fee: \$20.00 for each license certificate

Certificates are to be kept in vehicles.

SEE FOLLOWING PAGE FOR TRAINING CLASSES & CERTIFICATION

****Each employee must obtain eight (8) continuing education units per year. The certificates are to be kept on file with their firm. Individuals must obtain at least 50% of their continuing education hours from categories number 1, 3, 4, or 6 of the Approved Continuing Education courses and Methods List (Refer to website for LSPP Policy & Procedures Manual)**

- **Refer to the website for requirements for Certification, Continuing Education & Approved Courses:**
http://sfm.dps.louisiana.gov/lic_packet.htm
- **Refer to the website for Training Classes and Training Organizations:**
http://sfm.dps.louisiana.gov/lic_packet.htm

Note: Follow both firm and employee checklists when submitting the applications.
