GOVERNMENT & INDUSTRY REPRESENTATION

In addition to our Association's Legislative Committee, members approved hiring a full-time lobbyist in 2015. **Kevin**

Cumminham of SSG is a necessary and effective addition to the benefits of belonging to the Association. He is successfully advocating and defending our interests in both state and local issues that could negatively impact our industry and the way we perform business in general.

ANNUAL LLSSA CONVENTION

Third week in November, a Golf Tournament is held to benefit the Children of Police & Fire Officials Scholarship. Plus, a full day of CEU's along with a State Meeting. The Tradeshow begins with a parade, followed by the State Meeting and plenty of Louisiana's Cajun & Creole food. The show has over 60 vendors with the latest equipment, and you have a

chance to win loads of prizes during the event. Vendors & Dealers can register online at LLSSA.org

Annual Dealer Conference

It is held in the spring in historic Natchitoches, LA. This event hosts 100 independent security company owners, installers, and their staff from all over Louisiana. Attendees are presented with industry information and trends by leaders in their profession. Topics include sales, marketing, business planning, legal requirements, products, and State Fire Marshal Regulations. 20+ vendors from the industry exhibit in the tradeshow and spend time with attendees. But it is not all work with the welcome reception to bring a little play time to our first evening at the event.

Vision Statement —To lead the electronic life safety, security and systems integration industry for the benefit of our members, consumers and public safety.

Mission Statement — As a trade association, we represent, promote, and support the life safety, security and systems integration industry through education and advocacy, empowering members to grow their business.
